EDUCATION

1) March 2005 Ph.D degree in Cancer Epidemiology, Medical school of Leeds University, UK

(∩ Jun 2004-July 2004 attending in short course of Molecular Epidemiology in Leeds University

(∩ Sep 2001- Dec 2001 attending and achieving in Epidemiology and Statistics I

)MPH module), Nuffield Institute, Leeds University

(∩ Dec 2002- Dec 2002 attending in short course of Epidemiology and Statistics

Sheffield University

(∩ Sep 2003- Dec 2003 attending and achieving in Epidemiology and Statistics II

)MPH module), Nuffield Institute, Leeds University

(∩ Sep 2000-Jun 2001 attending and achieving in following models of MSC in Human Genetics, Leeds University:

a. Basic Human Genetics

b. Medical Genetics

c. Human Cytogenetic

d. Human Genetic Data Analysis

(∩ Feb 1985- Nov 1991 M.D, Medical school of Tehran University ,Iran

COURSE PARTICIPATION AND CERTIFICATION

1. Training course on "resulted Based Planning :Principles and Methods", WHO country office in collaboration with MOH&ME ,Iran, 29th July 2007.
2. Training course on "IHNS software program , "Esfahan University of Medical sciences, Iran, 9-11 July 2007
3. Flagship Course on "Health Sector Reform and Sustainable Financing, Quality, Equity and Health System". Ministry of Health and Medical Education, Tehran, Iran, 9-14 Dec 2006 .
4. Training Workshop on "Millennium Development Goals", Management and Planning Organization of Iran in collaboration with UN Development Group, Tehran, Iran, 27-29 November 2006.
5. Training course on " Building Capacity for national health experts for various aspects of health performance monitoring and evaluation", Ministry of Health and Medical Education, Tehran, March ۲۰۰۶
6. Workshop on Ethics in Research, Medical Ethics and History of Medicine Research Centre ,Tehran University of Medical sciences ,Iran, 15- 17 Feb 2005.
7. Training workshop on "Teaching Skills", Medical Education Centre , Esfahan University of Medical sciences, Iran, 2005.۲۰۰۶ -

PAST ACADEMIC POSITION

1. Assistant professor in Epidemiology, Lorestan University of Medical Sciences. May 2005- Sep 2006
2. Member of research committee, Lorestan University of Medical Sciences. May 2005- Sep 2006
3. Member of committee of ethics in medical research, Lorestan University of Medical Sciences. May 2005- Sep ۲۰۰۶
4. Member of committee of statistic and methodology in research, Lorestan University of Medical Sciences. May 2005- Sep ۲۰۰۶

RECENT EXECUTIVE POSITION

1. Executive Deputy for Network Development and Health Promotion Centre, Health Deputy of Ministry of Health and Medical Education. Feb 2006 – Aug 2007
2. The head of Health Information System Group ,Network Development and Health Promotion Centre, Health Deputy of Ministry of Health and Medical Education. Sep 2006- Nov 2007

TEACHING EXPERINCE

1. Teaching principle of epidemiology to MPH and PhD students
2. Teaching epidemiology of non-communicable diseases to medical, MPH and PhD students
3. Teaching public health to medical students

4. Teaching research method to undergraduate and postgraduate students
5. Teaching cancer epidemiology to MPH students
6. Teaching specific Topics in epidemiology for PhD students
7. Holding and directing seminar and journal clubs in epidemiology for MSC and PhD students in epidemiology
8. Teaching specific English to medical students.

PAPERS

- a. "The association between alcohol, dietary factors and anatomical subsites of colorectal cancer" (in Persian), 1385 (2006). (YAFT-E. ۵۷-۵۳ : (۲۷) ۸ ,
- b. "Trend and geographical inequality pattern of main health indicators in rural population of Iran" (in Persian), 1386 (2007). (Hakim. ۱۰-۱ : (۴) ۱۰ ,
- c. "Temporal variations of health indicators in Iran comparing with other Eastern Mediterranean Region countries in the last two decades", Dec. ۲۰۰۸ Journal of Public Health. ۵۰-۴۹ : (۴) ۳۰ ,
- d. "The deprivation level and colorectal cancer incidence by subsite in Northern England", April 2008. Iranian Journal of Cancer prevention. ۶۱-۵۷ : (۲) ۱ ,
- e. "The evaluation of matching in a case-control study of colorectal cancer using General Practice lists", 2008. Iranian Journal of Public Health. ۳۱-۲۶ : (۴) ۳۷ ,
- f. "Trend and geographical inequality pattern of main health indicators in rural population of Iran", 2009. Health Policy and Planning. ۲۳۷-۲۴ : ۲۲۹ ,

INTERNATIONAL AND NATIONAL REFEREED CONFERENCES

- a. "Epidemiology and survival rate of gastric cancer in world and Iran." "The third congress of gastrointestinal cancers ۲۷-۲۶ .Nov 2008. Cancer Research Centre, Shahid Beheshti University(MC), Tehran, Iran .
- b. "Epidemiology of colorectal Cancer in Iran "The Congress of prevention and early detection of the common cancers in Iran ,Feb 2008. Cancer Institute of I.R.Iran, Tehran, Iran.
- c. "Trend and geographical inequality pattern of main health indicators in rural population of Iran "International Epidemiological Association⁹ ,th South East Asia Regional Scientific Meeting ۱۲-۹ ,February 2008.
- d. "Socioeconomic status as proxy of life style factors "European Congress of Epidemiology ۲۸ ,June-1 July 2006, Utrecht ,Netherlands. Abstract was published in European Journal of Epidemiology ,Volume 21. Supplement. 2006
- e. "The association between colorectal cancer and SES "The 3rd Regional Conference of Asian Pacific Organization for Cancer Prevention) APOCP), 25-27 April 2005, GI Cancer Control, Zibakenar, Iran .
- f. "The Subsites of colorectal cancer and deprivation in Yorkshire and Northern regions of the United Kingdom "European Congress of Epidemiology ۱۱-۸ .Sep

2004. Porto, Portugal. Abstract was published in J Epidemiol Community Health 58) suppl): A42, 135 Sep. 2004

- g. "The association between alcohol, dietary factors and subsites of colorectal cancer" 12th Iranian researchers conference in Europe 2002, July 2002, University of Manchester Institute of science and Technology (UMIST), UK.
- h. "Global incidence of colorectal cancer by subsite" 1st IEA Eastern Mediterranean Regional Scientific Meeting, UCE 11-12, Dec 2003. Ahwaz University of Medical Sciences, Iran.
- i. "Evaluation of quality of GP matching in a colorectal case control study" 9th Iranian researcher's conference in Europe 2002, June 2002. UCE, Birmingham University, UK .

CURRENT RESEARCH PROJECTS

- a. Survival rate of Gastric cancer by age group ,gender, and histopathologic type: a national level study in Iran. 2008 ,
- b. Survival rate of Gastric cancer by age group ,gender, anatomical site, and histopathologic type: a national level study in Iran, 2009.
- c. Assessment of completeness and validity of data from the Iranian Vital Horoscope, 2009.
- d. The study of existing information sources for traffic injuries in Iran, a situation analysis, 2008 .
- e. Association of issuing temporary driving license by police with changes in traffic injuries in Iran, 2008 .
- f. Risk Assessment of workers exposed to asbestos fibers in brake shoe factory in Iran, 2008.
- g. Evaluation of new medical equipment (Gamma-Knife (using Health Technology Assessment method (JPRM project of WHO. 2007 ,(
- h. Designing HTA Unit in Iran (JPRM project of WHO. 2007 ,(
- i. Effectiveness of team-based learning compared with traditional lecture-based teaching methods in public health students of Lorestan University of Medical sciences, 2005.

CURRENT MEMBERSHIP

- a. International Epidemiologic Association) IEA),2005
- b. Iranian Epidemiologic Association 2008 ,
- c. Member of National HTA Committee, 2007
- d. Member of country scientific overall map committee. Research panel, 2008
- e. Member of country scientific overall map committee, IT panel, 2008
- f. Member of Country Researchers Supporting Office 2007 ,
- g. Member of Centre for Injury Prevention and Safety Promotion 2007

- h. Scientific Board member of 5th Iran Epidemiology Congress-Kurdistan, 2008
- i. Peer reviewer for Iranian journal of Public Health, Iranian Journal of Epidemiology.

INTERESTED RESEARCH AREAS

- a. Cancer epidemiology.
- b. Socioeconomic status and cancer .
- c. The role of genetic and environment in epidemiology of cancer
- d. Public health and Health promotion
